## Markus Erkert

Partner

Avocat au Barreau de Paris, Rechtsanwalt

Markus Erkert advises and represents international companies and groups, mostly from German-speaking countries, in the area of individual and collective French labour law.

### Activity:

Markus Erkert provides consulting for the design and termination of employment relationships, and in this connection also pursues litigation, or out-of-court settlements. He supports human resources departments in their day-to-day business. He also performs due diligence audits and supports his clients in the context of restructuring measures. In addition, he is involved in the setting up of management bodies and in the contractual relations with senior executives as well as generally in issues of corporate governance. Markus Erkert also provides advice with regard to considerations of labour and social security law in cases of secondment or expatriation of staff. He is a popular speaker on topics in labour law and offers in-house seminars as well.

### His areas of expertise are:

Labour law, corporate law

### Biography:

- Study of law in Tübingen and French qualifying examination for foreign attorneys
- Employment with various Franco-German law firms in Paris with GGV since 2007, and member of the Franco-German practice group 'Équipe Franco-Allemande'

### Languages:

German (native language), French and English
